SUMMARY

I'm a second-year Computer Engineering student at R.C. Patel Institute of Technology with a CGPA of 8.85. I'm passionate about software development and currently sharpening my data structures and algorithms skills with Java. I'm actively building hands-on projects and continually expanding my knowledge in modern technologies like React.js, Node.js, and MongoDB.I'm seeking opportunities to apply my skills in real-world technical challenges and contribute to innovative teams.

SKILLS

- **Programming Languages :** C , Core Java , Basics of Python , JavaScript
- **Technologies :** HTML , CSS , PHP , React , Tailwind CSS , SQL , MongoDB , Node.js , Express.js
- **Platforms And Tools :** Git , Github , VS Code , Postman , MongoDB Compass , Eclipse IDE
- **Graphics** : Experienced in Video editing and Graphics Design using tools like…, Adobe premiere pro , After Effects , Davinci Resolve , Photoshop , Canva

PROJECTS

AgriConnect : A Farmer's Market Place

- Built a crop listing platform enabling direct transactions between farmers and dealers.
- Integrated live weather updates and a fertilizer recommendation system for better farming decisions.
- Implemented real-time communication and a responsive user interface
- Developed using the MERN stack (MongoDB, Express.js, React.js, Node.js).

Project Sanction Dashboard

- Developed a web-based system for managing college semester project approvals with student and admin (faculty) dashboards.
- Enabled submission of project titles and allowed faculty to approve or reject submissions with automated email notifications.Enabled submission and tracking of 50+ student projects per semester
- Working on auto-rejection using past topic datasets for duplicate detection.
- Implemented role-based access, server-side logic in PHP, and a responsive UI with HTML, CSS, and JavaScript.

EDUCATION

Primary and Secondary School Education R. C. Patel Secondary School , Shirpur	2011 - 2021
Junior College (Higher Secondary School) R. C. Patel Junior College , Shirpur	2021 - 2023
Pursuing Bachelor's degree in Computer Engineering R. C. Patel Institute of Technology , Shirpur	2023 - 2027

EXPERIENCE AND EXTRACURRICULAR ACTIVITIES

- **Technical Member, Akatsuki Coding Club –** Participated in coding events and contributed to club activities.
- **Event & PR Team, E-Cell RCPIT –** Assisted in organizing and promoting entrepreneurship-related events.
- **Freelance Video Editor –** Created and edited 30+ videos, improving engagement by 40% college events.
- **Dance & Music Enthusiast –** Actively participated in college cultural programs and performances.
